This allows you to change styles or colors anytime you want, because no matter what size you wear in Uncommon Threads, that size will fit you across our entire product line. After all, nobody likes ill-fitting style.

## PROFESSIONAL FIT GUIDE

- Coat should just cover your entire seat.
- Cuff, when rolled up, should rest approximately 5" above the bottom of your thumb.
- Coat should have a drop shoulder for greater freedom of movement and comfort.
- Armhole should allow for considerable range of motion.
- Coat should feel centered and not ride too far forward or back.
